INDECENT PROPOSAL

Enclosed is a letter to Brooke, the wealthy honey in the February TAILENDS. In my letter, I'm proposing marriage. If Brooke is truly looking for someone who will love her for her body, I'll do better than that. If she accepts my offer of marriage, I'll worship her from head to toe every day and every night we're together. I don't have much money, but Brooke is rich. I'm clean, I'm healthy, I'm not bad-looking, and I have a tongue and a cock I can to put to good use. That's everything Brooke said she wanted.

Comely Brooke has been receiving at least ten proposals of marriage a day ever since our February issue hit the stands. She's promised to read every letter, but now that the suddenly rich 21-year-old knows how many horny guys crave her hot and curvy body, she's not sure she can give her ass to just one man.

BELFAST'S BLAZING BUTT

It's been my experience with every Irish girl I've ever went with that when Irish eyes are smiling, it's usually because a red-haired pussy is being stuffed with hard cock. That makes Caitlin [TAILENDS February 1995] my kind of girl. I love every one of her photos, but especially the ones on pages 25 (spreading her crack) and 27 (ready to take it from behind). Too bad she didn't enroll in the college I go to. We sorely lack good-looking girls who like sex!

SUGGESTIVE CRACKS

TAILENDS and LIPS are the only two magazines I buy every month. I can't pick one and not the other. I've written letters before, but none were ever printed. This time I want to compliment one particular shot in TAILENDS (February) and ask that you include similar shots in every issue.

On page 33, the model has her teddy wedged up inside her ass crack. It looks like it's stuck in her rosy pucker. This kind of shot is as suggestive as when the model shows an open butthole, but with a little more class. Such a provocative pose prompts a lewd fantasy. Is her little bunghole damp and itchy?

Would more than a little hit of flimsy material be welcomed in there? I'd love to pull that teddy free and place my finger where it's been.

ANALLY INCLINED

I never had such an ache to fuck as I did after glimpsing page 48 of the February TAILENDS. That tiny asshole (bottom photo) would certainly present a challenge to even the smallest of cocks, but I, with my seven inches, would be up for a try. There's nothing I enjoy more than a backdoor fuck with a willing partner who has a tight hole. Those that aren't experienced at ass fucking would probably imagine that all assholes are tight, hut that's not so. Some are deep and loose, and no fun at all!

A MONTH OF BUN-DAYS

Some guy I know thought he was being a real wise guy when he gave me a copy of TAILENDS (February) and told me to look at page 56. "Remind you of anyhody you know?" he asked, and he probahly expected me to get all red in the face or something, seeing two girls playing with each other. But I faked him out good. "Oh, yeah," I said. "It reminds me of me and your lezzie wife in bed!"

I never really made it with his wife, but I'd like to. I like girls as much as I do guys, but girls eat pussy better. Now that I've been shown TAILENDS, I'm going to start buying it. And just maybe I'll give a copy to the jerk's wife and really give him something to wonder about.

HOT FOR OLDER, BOLDER BEHINDS

Young women who take care of their bodies generally have slender, firm derrieres they like to flaunt in tight clothes. Older women, even if they work out regularly, can't always prevent the rear spread that comes with age. And those are the women I like to ogle—beefy behinds, that's what I like!

You include brunettes, redheads, blondes, outdoor girls, and shaved tails in almost every issue of TAILENDS. But hair color has nothing to do with a gal's ass, nor does the setting she's in, or whether or not her pussy is shaved. How about showing us mature asses instead?

UNFORGETTABLE RUMPS

Pound for pound, inch for inch, I'd put TAILENDS up against any other magazine, including the regretful purchase I recently made (I won't give the name, but let's just say I was hustled out of five bucks) for nothing more than a phone sex directory.

Oh, how I missed the jam-packed photos like the incredible, edible hairy heinie of Joseph's gal (October Amateur Butt). Or, who could ever forget the truly tan and muscular rump of Sam's July entry?

How about some in-your-face photos of hushy hooties? Nothing turns me on like a sexy woman with a moist, velvety bush protruding from her crack.

So, stop the shaving, and I won't bitch. Let your hair down, and you won't itch.

BREECH OF LUST

Every time I get a new copy of TAILENDS, I miss my ex-wife. She was a bitch and a cheat, but what an ass! And, man, how she loved to have it crammed with cock.

The last time I saw her, she looked so good, I got weak and suggested we see if we could turn up the heat like we used to do. Warning me that it wouldn't mean she was taking me back, she let me into her panties. I hadn't forgotten how hot her ass was, but it was great being reminded again anyhow. Then, as soon as she got my jizz, she showed me her other side, and I don't mean her tits. The nagging began, and before she could work up a lather, I was out of there.

Now I'm looking for another woman, maybe one not so pretty, but one who has it all to give to just one man. Until I meet her, though, there's no harm in fantasizing about my ex-wife while looking at the exciting photos in your magazine. This way, I get the orgasms with none of the lip, which is the way it should be.

TAILENDS is consistently an excellent magazine. Great photos, hot reading, and, except for the ads (I know they're necessary), the magazine offers a great many thrills for only a few measly bucks.

Thank you.

nde ambition

Janet is a natural phenomena. Her body defies gravity. We here at TAILENDS see hundreds of magnificent cheeks each day, yet Janet's firm ass made us truly stand up and take notice! Her sinewy curves are peppered with ripe, round, grabbable areas. Her hips are true magic, and her rear end is sheer heaven.

You might be surprised to find out that Janet is older than you think. As she quickly approaches thirty, her thirst for life has quadrupled. "Suddenly, I want to live!" exclaims Janet. "I want to show off my body while there's still something left to show. And I want to use these thighs and wrap them around every man I see. Can you believe that it wasn't until last year that I discovered the pleasures of anal sex? Now that I know, there's no stopping me. I'm out for every thrill, be it sexual or not! I want to live!"

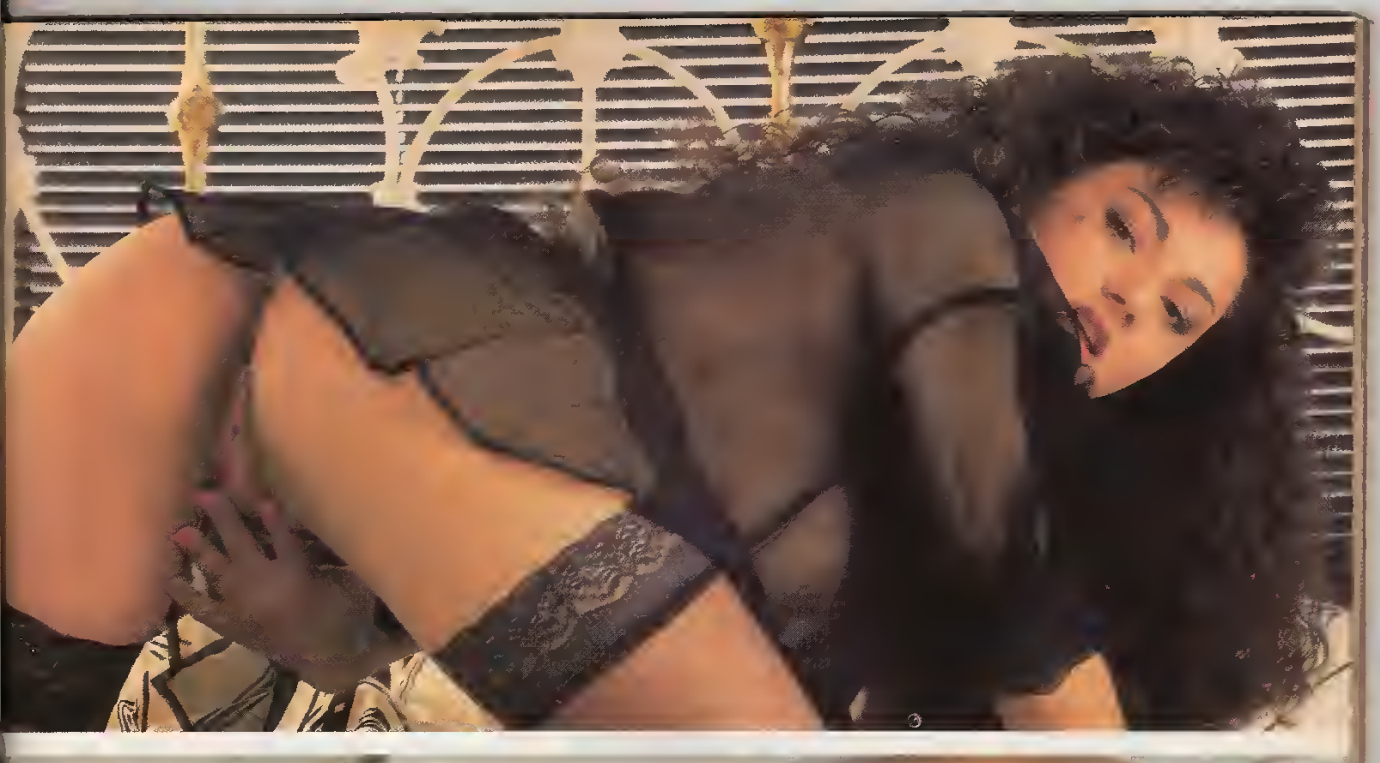
SABLE BUTTS



Nancy is not ashamed to admit that she's a little whore through and through. Ass fucking is her favorite pastime, but doing it the old-fashioned way also gets her juices flowing. Nancy decided to pose for TAILENDS to document a certain time in her life. As she explains, "The past two years have been the best in my life. I feel incredibly alive. My sexuality has bloomed. I feel ripe and ready for the picking. I hope this feeling never ends. But I'd still like some photos to remember it by."
